

Items Policy

All Clear Rules for Collection

1. All refuse must be bagged & completely tied shut in a bag of your choice.
2. Bags should weigh no more than 30 pounds (help prevent back injuries).
3. No hazardous waste, lawn waste or demolition debris is accepted at the disposal site we use for domestic waste or anything larger than 4' x 4'. Refer to the partial list of items below for examples.

Furniture: Desks, Bureaus, Mattresses, Bed Frames, Chairs, Rugs, Etc.

Chemicals: Pesticides, Herbicides, Propane Tanks, Paint, Motor Oil, Antifreeze, Car Batteries, Etc.

Appliances: Refrigerators, Grills, Freezers, Washers (dish & cloths), Dryers, Etc.

Electronics: Computers, Recorders/Players. Televisions, Microwaves, Etc.

Other: Pools, Construction / Yard Debris, Large Children's Yard Toys, Etc.

Note: Although these items cannot be put out with your household refuse. However, we have alternate disposal sites that deal specifically with disposal of these items. These items have to be separated and transported to different locations, We offer two ways to do this.

You can request a "special Pickup" by scheduling one with the office. This is ideal for smaller amounts of refuse that cannot be placed out with your household garbage.

Or

You can arrange to have a rolloff container (8 yd. or 15 yd.) delivered to you for larger amounts of refuse or demolition debris that cannot be placed out with your household garbage.

*In both cases, there are additional charges involved.

Thank You,
