

# Curbside/Dumpster accepted items policy

## All Clear regulations for collection

1. All refuse must be bagged and completely tied shut in a bag of your choice.
2. Bags should weigh no more than 30-35 pounds. This is to avoid driver injury. Our drivers move 2-3 tons of trash each on a daily basis.
3. No hazardous waste, lawn/yard debris, or demolition debris can be taken with domestic refuse. These materials are not accepted at the disposal site we utilize for domestic waste, nor is any item exceeding four feet in length. Refer to the example list below:

**Furniture:** desks, bureaus, mattresses, bed frames, chairs, rugs, etc.

**Chemicals:** pesticides, herbicides, propane tanks, paint, motor oil, fuels, etc.

**Appliances:** refrigerators, grills, freezers, washers(dish or clothing), dryers, etc.

**Electronics:** computers, media players, tvs, microwaves, etc.

**Other:** pools, construction/yard debris, large yard toys, mowers, trimmers, etc.

Although these items cannot be put out with your household refuse, They can still be picked up by All Clear by alternate services. All Clear utilizes different disposal sites for the disposal of these items after certain additional processing has occurred. The services by which All Clear can remove these items from your premises are detailed in the 'Additional Services' section of our website.
